

Drug Related Intimidation Reporting Programme

Forms of intimidation can include threats, physical violence, damage to family home/property and sexual violence.

This programme has been established by the **Garda National Drugs Unit** and the **National Family Support Network**. Inspectors were selected by the Garda Commissioner.

The purpose of this programme is to respond to the needs of drug users and family members who are experiencing drug related intimidation.

The designated inspector provides the following:

- Practical safety information (through informal and/or formal contact).
- Advice in relation to particular threats or intimidation.
- Information on appropriate drug support services.
- Outline the process of formal complaints.

How to make contact:

- You can contact a local family support worker/drugs worker to contact the designated Inspector *or*
- You can contact a station directly and request to speak with the nominated Inspector in charge of drug related intimidation.
