

Guidance for drug and alcohol support groups and treatment programmes

This guidance supports the safe resumption of drug and alcohol services under the national framework for living with Covid-19.

Hold

support meetings on-line or outdoors where possible

Do

a risk assessment before face-to-face group meetings

Venues

should be carefully managed, with limited sharing with other users

Maximum

number of attendees is 15 people (including leaders), with 2 metres social distancing

Face

coverings should be used where social distancing of 2 metres is not possible due to space constraints

Support

groups should last a maximum of 1 hour and 45 minutes

People

at higher risk, or those in close contact with such individuals, should only attend on-line meetings

Attendance

at multiple groups or programmes should be avoided
