

COVID-19 LOCAL ARRANGEMENTS

Arising from the COVID-19 emergency, the following arrangements are in place for community and voluntary drug treatment and related services in NWRDATF Sligo, Leitrim & Donegal, until further notice. Services will continue to operate at their maximum capacity, except that provision has been adjusted to take account of following:

- Staffing rotas have been organised to minimise staff interaction thereby maximising service continuation in the event of a staff-related infection;
- The main focus of provision is continued contact with existing service users;
